

## Home Chick “Tsipa”

### Active Ingredients:

Vitamin A, Vitamin D3, Vitamin B1, Vitamin B2, Vitamin B6, Vitamin B12, Vitamin E, Vitamin C, Vitamin K3, Calcium pantothenate, Sodium chloride, Calcium chloride, Ferrous sulfate, Manganese sulfate, Copper sulfate, Potassium iodide, Zinc sulfate, Magnesium selenite.

### Advantages:

- The mineral complex, microelements, and fat-soluble vitamins included in the supplement ensure chicks’ daily requirements for essential nutrients;
- Helps normalize metabolism during unbalanced feeding;
- Positively affects growth and development, promotes weight gain, and increases resistance to stress.

### Directions for Use and Dosage:

The feed supplement is used to enrich and balance chicks’ main feed.

- One package is mixed into the main feed at the rate of 250 g of supplement per 30 kg of feed.

The supplement is not a complete feed; it is intended to be used only in addition to the main ration.

### Form of Release:

Packed in 250 g bags.

### Storage Conditions:

Store in the manufacturer’s original packaging in a dry, cool place protected from light at 15–25°C. Keep out of reach of children.

### Shelf Life:

18 months.

### Manufacturer:

Biotechs LLC, Georgia, Tbilisi, 8 Iumashevi St.
